

#### Things that worked out

- I really enjoy the format that you chose for the Clippers.
- The black and white coloration fits the overall theme of the Clippers very well.
- The text is what I wanted and the timeline is also the correct format.
- The Clippers logo that is moving on the top right is amazing.
- The navigation bar has the correct information

#### Things to work on

- The text is very hard to see on website view so the text size should be increased.
- More images throughout the website would help
- The initial website can be black and white, but its fine for the images to have color
